### Pre-Health Professions:
Sonoma State students are preparing for careers in various health professions, including medicine, dentistry, veterinary medicine, pharmacy and physician assistance, select an appropriate major for undergraduate study and receive support and advising from our Health Professions Advisory Programs (HPAC). As pre-med is not a major, an HPAC advisor will work with students to prepare them for their graduate program of choice.

THE SEAWOLF EXPERIENCE

Life on campus is active and busy. Our students excel academically while enjoying leisurely activities with friends. Hangout spots, like Seawolf Plaza, the Student Center, Charlie Brown’s Café or Lobo’s Pizza and Pub, buzz with activity.

Cultivate connections with fellow students by attending cultural events and student performances, cheer on the Seawolves at athletic events or join a sorority or fraternity. Do more here at Sonoma State University.
