“...[I] thank Shelly Stephens (Administrative Analyst) and Katie O’Brien (International Advisor) for their support and helping [my] smooth transition into Sonoma State. I believe in the process rather than results.”

- **VARUN THAKAR** (*India*)

“Being at SSALI motivated me to continue to pursue my education... so I transferred to [SRJC] to complete my General Education... [which] helped me to save some money on my tuition and...where also I found the support I needed to achieve my academic goals and to transfer back to Sonoma State University to complete a bachelor’s degree... [It] has been my dream to accomplish my education in a great institution where I have felt welcome and supported by everyone. To study at SSU has been one of the best experiences in my life.”

- **SALVADOR FRANCO MERCADO** (*Mexico*)

“If you are thinking of coming here, I highly recommend it. It is a beautiful place to be, the classes are not so big and the school is not so big. The academic level is very good and you will have good attention for the professors and counselors.”
